

Schnelleinstieg zur Benutzeroberfläche

The screenshot shows the TUBAFmedia search interface. The search bar at the top contains 'Suche' and 'Ressourcen'. Below it, a filter sidebar on the left is highlighted with a red box, showing options for 'Sichtbarkeit' (Extern, Uni-Intern), 'Dateityp' (Bilder), 'Medien', and 'Dargestellte Zeiten / Darge...'. The main search results area is a grid of thumbnails, with a cyan box highlighting the grid itself. A yellow box highlights the search bar and the 'Ressourcen' dropdown. An orange box highlights the 'Filter' button and the search icon. A purple box highlights the 'Detail' view on the right, which shows a large image of a 'EUMUCO' advertisement and its metadata, including 'Titel', 'Beschreibung', 'Prospektumfang', 'Firma', 'Dargestellte Zeiten', 'Medienart', 'Objektstatus', and 'Schlagworte'. A pink box highlights the navigation arrows at the bottom of the detail view.
