Arrival by train

Freiberg train station is connected to the regional and long-distance trains (RB, RE) from Dresden and Chemnitz and from Holzgau. Trains run here every half hour. It is located outside the city centre. From the station there are connections to the Reiche Zeche, with the Regio bus line D. Due to the short distances between the station and the [Institute of Energy Process Engineering and Chemical Engineering](#), it is also possible to travel on foot or by bicycle.
