

Scientific Staff - (m/f/d)

Position number 187-E/2025

Faculty of Mathematics and Computer Science

Hours: 0,5 FTE
Contract type: March 1, 2028

Pay group: E13 TV-L
Beginning: as soon as possible

The TU Bergakademie Freiberg, Faculty of Mathematics and Computer Science, Institute of Discrete Mathematics and Algebra invites applications for the temporary position of a Scientific Staff as part of the project Minor Theory in 3D and Context to start as soon as possible.

These are your tasks:

- excellent research
- administrative and organizational tasks as needed in the group of Prof. Carmesin
- Participation in the development of a benchmark for mathematical proofs
- The opportunity to pursue a doctorate is provided
- acquisition of third-party funding

This is what you can expect from us:

- Working at a family-friendly university with flexible working hours
- Remuneration according to the regulations for the public service of the states and classification under the E-grades
- attractive additional benefits, e.g., capital-forming benefits (VL), company pension plan (BAV), health management, training opportunities, discounted job ticket for public transport
- Working in a committed and motivated team

We expect from you:

- familienfreundliche Arbeitsbedingungen und flexible Arbeitszeiten
- Experience with Lean and interest in setting up a large research project
- An application in English is expected

Applicants (m/f/d) must meet the employment requirements for fixed-term employment contracts in accordance with the WissZeitVG (German Academic Fixed-Term Contract Act).

Your application:

Please send your application with the usual documents, quoting the reference number **(187-E/2025)**

by December 18, 2025,
preferably by email to:

bewerbungen@tu-freiberg.de

or by post:

**TU Bergakademie Freiberg
Dezernat
Personalangelegenheiten
09596 Freiberg**

**For further information,
please contact**

Prof. Dr. Johannes Carmesin

E-Mail:

Johannes.Carmesin@math.tu-freiberg.de

Severely disabled persons or persons of equal status (m/f/d) will be given preferential consideration if they have the same qualifications, performance, and abilities. Please include proof of this. The TU Bergakademie Freiberg specifically promotes the proportion of women and expressly invites qualified.
