I am applying for payment of the travel grant for low-emission travelling as part of my ERASMUS study visit. The amount of grant depends on the distance between Freiberg and the receiving institution.

With my signature, I confirm that all of the above information has been provided by me completely and truthfully and I acknowledge that the approved funds must be repaid to TU Bergakademie Freiberg in part or in full in the event of false statements. I have also been informed that proof of travel (tickets) must be kept and presented to the funding institution or an organisation commissioned with an audit upon request.
