At the Faculty of Mathematics and Computer Science of TU Bergakademie Freiberg, Institute of Applied Analysis, 2 temporary positions of a

Scientific assistant (m/f/d) – Position number 35-E/2020

to be filled at the earliest possible time.

Salary: 13 TV-L
Compensation: per position 0,5 VZÄ (0.5 FTE)
Time limit: 3 years

The research group of partial differential equations conducts research in the functional analytic treatment of time-dependent partial differential equations.

We expect:
− work in teaching and research service and pursuit of the PhD

What we offer:
− working at a family-friendly university with flexible working hours
− remuneration according to the provisions of the collective agreement for the public service of the federal states in accordance with the personal requirements; attractive fringe benefits, e.g., asset-based benefits (VL), company pension schemes (VBL), health management, assistance (training) by experienced colleagues
− We actively support the PhD project particularly through many and regular contact-hours, the possibility of participating in standing publication projects and by advocating the assistant's personal research ideas. The participation at (international) conferences and the usage of the infrastructure of the TU BA Freiberg such as the university library is covered.

To succeed you will need:
− a university diploma or master degree in the area of mathematics or equivalent
− basic knowledge in functional analysis and/or partial differential equations and the willingness to learn new abstract subjects
− willingness to pursue further scientific qualification; advanced German and English skills

For further information, please contact: PD Dr Marcus Waurick:
marcus.waurick@math.tu-freiberg.de

Applicants (m/f/d) must meet the employment requirements for temporary employment contracts in accordance with the WissZeitVG. TU Bergakademie Freiberg is committed to increasing the number of women in teaching and research positions. Qualified female scientists are therefore invited to apply. Severely disabled applicants will be given preferential consideration in the event of equal suitability.

Please send your application and relevant documents with reference to the position number (35-E/2021), until 10.03.2021 to:

TU Bergakademie Freiberg - Dezernat für Personalangelegenheiten - 09596 Freiberg oder
per E-Mail an: bewerbungen@tu-freiberg.de

Your application documents will not be returned, therefore please send only copies. Interview costs will not be covered. TU Bergakademie Freiberg is further looking for scientific personnel of diverse specialization. For further information: http://tu-freiberg.de/wirtschaft/karriere/stellenausschreibungen
