

The vice-rectorate of structural development seeks to fill the position of a

research assistant E-Learning (m/f/d) – tender number 144-E/2022

limited till 31.12.2023 (subject to the provision of funding).

With the SUUpoRT project (funded by the "Stiftung Innovation in der Hochschullehre"), TU Bergakademie Freiberg is making an important contribution to supporting and maintaining the Ukrainian university system. The aim is to enable access to our virtual teaching offers as well as those of our numerous partners, to create exchange formats and thus to accompany the teaching activities at Ukrainian universities as well as to supplement them as needed.

Salary: Pay group 13 TV-L
Job size: 50 % (Part-time)
Start of work: 01.09.2022

Your tasks are:

- Project coordination and cooperation with the project partners and other stakeholders
- Analysis of needs and coordination of the teaching/learning offers with the Ukrainian partner universities
- Utilization and expansion of existing networks in the area of digital teaching and learning
- Evaluation and (further) development of teaching/learning offers in cooperation with lecturers
- Design and implementation of exchange formats to increase integration and motivation
- Consulting and training of teachers on virtual and hybrid teaching scenarios

What you can expect from us:

- working at a family-friendly university with flexible working hours
- attractive fringe benefits, e.g. Asset-based benefits (VL), company pension schemes (VBL), health management, "Job-Ticket"
- a wide range of networking, mentoring and development opportunities
- a focused research programme and a structured training strategy

What we expect from you:

- Diploma or master's degree in media education, media informatics - alternatively diploma or master's degree in the field of natural sciences, engineering or economics with relevant professional experience in the fields of university didactics/e-learning.
- Distinct practical-technical understanding and professional handling of common software
- Independent and effective working style
- Fluent in written and spoken English

For further questions on the content of the individual topics, please contact Ms. Dr. Anja Solf-Hofbauer; anja.solf-hofbauer@zuv.tu-freiberg.de; phone: 03731 39-2218.

The applicant (m/f/d) must meet the hiring requirements for fixed-term employment contracts according to the WissZeitVG. Applicants with disabilities will receive preferential consideration, provided they possess equal qualifications. For consideration, we ask you to submit proof of your disabled status together with your application documents. TU Bergakademie is committed to increasing the number of women in teaching and research positions, hence qualified female candidates are especially encouraged to apply.

Written applications, including a CV, motivation letter and copies of all relevant qualifications documents (certificates, diplomas) and a summary of the thesis, should be submitted by **June 26th, 2022** stating **reference number (144-E/ 2022)** to the following address:

**TU Bergakademie Freiberg, Dezernat für Personalangelegenheiten, 09596 Freiberg or
e-mail: bewerbungen@tu-freiberg.de**

Your application documents will not be returned, please only submit copies. TU Bergakademie Freiberg is always looking for scientific personnel from various disciplines. Further information can be found at <http://tu-freiberg.de/wirtschaft/karriere/stellen-ausschreibungen>
