TECHNISCHE UNIVERSITÄT
BERGAKADEMIE FREIBERG

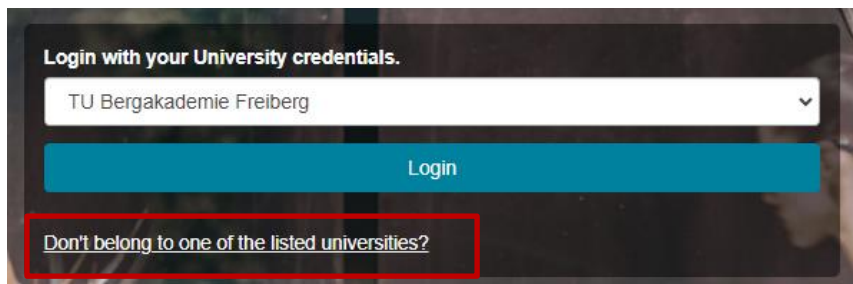

The University of Resources. Since 1765.

Instructions for registration into the learning platform OPAL as an external user

In order to access the online test and the online interview of the **Procedure of the Assessment of the Applicant's Qualification (PAAQ)** for the master program Chemical Engineering, registration in the OPAL learning platform is necessary.

Registration in to the learning platform OPAL

1. When you click on the link <https://bildungsportal.sachsen.de/opal> you will land on the registration page of the learning platform. Click on **"Don't belong to one of the listed universities?"**

2. Click on "Registration". Select " TU Bergakademie Freiberg" from the list of institutions and enter your e-mail address in the window that has just opened. Make sure that you use the same email address for the registration on the OPAL platform, and for your registration on the University portal TU Bergakademie Freiberg (online submission system of your application). Once you have clicked on "Submit", you will receive an e-mail with a confirmation link (may last up to 30 minutes).

Register ✕

You need a valid email address to register with the learning management system. You will receive an email containing a key to set an username and password.

Is your desired institution not available for selection? Then please contact the appropriate [contact person of the universities](#).

Select institution *

TU Bergakademie Freiberg

3. Follow the link in the email and complete the registration. Remember your username and password. You will need your username and your password later again. Confirm with "Submit".

The image shows a registration form for OPAL. At the top left is the OPAL logo. Below it is the heading "Register". A text box contains instructions for the username: "The username: • has to consist of a minimum of 3 characters • may contain only numbers and/or lower case letters (no umlauts, no special characters but -_) • can't be changed anymore." Below this are input fields for "Username: *", "Institution" (with "TU Bergakademie Freiberg" selected), "First name *", "Surname *", "Password: *" (with a "At least 8 characters." note and an eye icon), and "Confirm password: *" (with an eye icon). A red box highlights the "Submit" button at the bottom left.

4. You will have to accept the user conditions
5. If you are invited to the online test (in the future), you will be sent the link to the respective OPAL course with the invitation notification. This link will navigate you to the OPAL course via the Login form, where you again have to click on "**Don't belong to one of the listed universities?**" and log in with your username and password.

The image shows a login form for OPAL. At the top is the heading "Login with your University credentials." Below it is a dropdown menu with "TU Bergakademie Freiberg" selected. Below the dropdown is a blue "Login" button. At the bottom, a red box highlights the link "Don't belong to one of the listed universities?".
