Instructions for registration in to the learning platform OPAL as an external user

In order to access the learning platform, courses and learning materials, registration in the OPAL learning platform is necessary.

Registration in to the learning platform OPAL

1. When you click on the link <https://bildungsportal.sachsen.de/opal> you will land on the registration page of the learning platform. Click on "**Acess without university email address**".

A screenshot of the OPAL registration page for Saxon universities. The page has a dark teal background. At the top, it says 'Students and Staff of Saxon universities'. Below this is a section 'Select your university' with a dropdown menu showing 'Your university'. There is a button 'Login with university account'. Below this, separated by a horizontal line and the word 'OR', is a section 'You don't have an email address at a Saxon university?'. This section contains a button 'Access without university email address' which is highlighted with a red rectangular box.

2. Click on "**Register**". Select "TU Bergakademie Freiberg" from the list of institutions and enter your e-mail address in the window that has just opened. Confirm with "**Submit**". You will now receive an e-mail with a confirmation link.

A screenshot of the OPAL login page for self-created accounts. The page has a dark teal background. At the top, it says 'Log in with your self-created OPAL login details'. Below this are two input fields: 'Username*' with a placeholder 'Your OPAL username' and 'Password*' with a placeholder 'Your OPAL password' and an eye icon for toggling visibility. There is a button 'Login without university email address'. At the bottom, there is a red rectangular box containing two links: 'Forgot your Password?' and 'Register'.

Register

You need a valid email address to register with the learning management system. You will receive an email containing a key to set an username and password.
