Rector's order
related to the coronavirus (SARS-CoV-2) pandemic
Status: 23 June 2020

Dear professors, employees and students,
dear members of the TU Bergakademie Freiberg,

visits by external persons (non-university members) no longer require approval from the Rector or Chancellor. Nevertheless, non-university members should only visit to the extent necessary, in order to avoid the spread of coronavirus (SARS-CoV-2).

For visits by non-university members, the "Form for visitors (non-university members)" must be completed, scanned and sent by email to referent@zuv.tu-freiberg.de; please keep the original.
Note: Due to data protection, the form must be printed out on both sides!

Stay healthy and Glück auf!

Professor Dr. Klaus-Dieter Barbknecht
Rector

Jens Then
Acting Chancellor
