

## **Rector's Order** **relating to the coronavirus (SARS-CoV-2) pandemic**

**Status: 29 June 2020**

Dear professors,  
dear employees of the TU Bergakademie Freiberg,

as already published in the Rector's Order from 12 June 2020, all professors and employees of the TU Bergakademie Freiberg should return to their offices at the university within the scope of their duties and work obligations in compliance with the "Hygiene Rules and Measures for Working in Office and Laboratory Rooms".

In order to avoid the accumulation of employees in the offices, it was suggested that the respective superiors check and, if necessary, order in particular the introduction of capacity- and crisis-oriented distribution of working hours. The Staff Council and university management had agreed for this purpose, initially until 30 June 2020, to suspend formal time recording and to extend the working time frame within which the work can be performed to Monday to Friday, from 6.00 a.m. to 9.00 p.m. This "Agreement on the Location and Registration of Working Hours and Mobile Work during the Coronavirus Pandemic 2020" between the staff council and the university management expires on 30 June 2020!

**In order to continue to enable a capacity- and crisis-oriented distribution of working hours, the Staff Council and the university management have agreed on a change in the employment agreement on flexible working hours at the TU Bergakademie Freiberg. After that, the working time frame / flexitime frame for the period from 1 July 2020 to 31 December 2020 is expanded as follows: The flexitime schedule in the University Library is extended to Monday to Friday from 6.00 a.m. to 9.00 p.m. and on Saturdays from 9.30 a.m. to 6.30 p.m. In all other areas, the flexitime framework is extended to Monday to Friday from 6.00 a.m. to 9.00 p.m. (See Appendix).**

**Formal time recording (time clock or your own written recording) is to be carried out again from 1 July 2020!**

Stay healthy and Glück auf!
