Call for Posters

International Autumn School “Climate Policy and Energy System Transformation: New Opportunities and Challenges of the Consideration of Co-Benefits” 13 – 17 September 2021

Participants of the Autumn School, will have the opportunity to present their research and projects in a poster session and exhibition.

The objective of the poster session is to support the participants of the School in exchanging ideas and initiating new joint research activities. The exhibition will be located directly at the venue in order to facilitate the access to the posters.

Interested candidates are asked to inform us during their application for the School whether they plan to give a poster presentation (contact details please see below).

The poster's size should conform to the DIN A1, or DIN A0 standard. There is no mandatory style sheet for the formatting of the poster.
