

# WHO WE ARE

The [Association of Friends and Sponsors of TU Bergakademie Freiberg](#) was established on the occasion of the 225 year celebration of the Bergakademie in June 1990 as successor of the society „Friends of the Bergakademie“, which had supported the university from 1921 to 1945.

Currently, the association has over 1.300 members in Germany and worldwide. It´s the governing association for specific bodies of technical groups and sponsors.

## TASKS AND AIMS OF THE ASSOCIATION:

- ⚡ support for teaching and research
- ⚡ promotion of contacts with local and foreign institutes and companies
- ⚡ financial sponsorship of selected students
- ⚡ graduate and alumni support
- ⚡ cultivation of traditions of the TU Bergakademie Freiberg

## FINANCIAL SPONSORSHIP CAN BE REQUESTED FOR THE FOLLOWING PROJECTS:

- » excursions abroad for students
- » stays abroad for diploma/master´s thesis, dissertations and presentations
- » study visit of foreign students in Freiberg, in cooperation with the DAAD (German Academic Exchange Service)

# OUR ENGAGEMENT

It is a specific aim of the association, its sponsors and technical groups, to provide graduates a platform for contacts and meetings with fellows and peers. Regular discussion evenings contribute to scientific exchange.

In cooperation with the university, the association is involved in the organisation of the annual graduation ceremony. Additionally, the association supports and counsels graduates with their entrance into working life. Furthermore, there exists cooperation with the national and international alumni programme of TU Bergakademie Freiberg.

The journal of the Association of Friends and Sponsors ACAMONTA provides information on important current and past events of the university. ACAMONTA is published annually.

## PRIZES

The annual awarded [Friedrich-Willhelm-von-Oppel Prize](#) honors special social commitment and advocacy for the interests of students. The prize is endowed with 500 €.

The [Bernhard-von-Cotta Prize](#) is awarded annually in the categories “Diploma/Master” and “Dissertations” for talented scientists in recognition of special scientific achievements. The prize money currently amounts 1.000 € for diploma-/master´s thesis and 2.000 € for PhD thesis.
