

# EMPOWER

## GOOD GOVERNANCE AND SOCIAL ENTREPRENEURSHIP PROGRAMME

“Creating impact in developing regions”

Opening Seminar: 04. – 06.12.2018

Application Window:  
01. – 28.10.2018

### Objective

- Train participants to take active part in developmental programmes in their home countries
- Help participants acquire multi-skill competence for future professional career
- Create a platform for sustainable partnership between participants and German institutions for mutual benefit for Germany and their home countries
- Create an academic peer group for international young researchers in Freiberg

### Curriculum

- Project management and fund raising techniques
- Good governance coaching
- Field mission, conferences and visit to International organizations
- Training on leadership, interpersonal and work related skills
- Sessions with professors, politicians, development economists and business captains

### Application

- Applicants must be international PhD student or students about to start with their doctoral projects, especially from developing regions and nondemocratic countries
- Curriculum Vitae (CV) and Motivation letter (one page) highlighting interest, project idea and how it matches the programme
- A reference letter from your doctoral supervisor
