## An exciting English lesson

Welcome to our school, Mr Balian!

Our English teacher, Mrs Schuster, said these words in the beginning of the English lesson on 23rd April 2009. Mr Balian from the USA is a student at Bergakademie Freiberg. He was at our school to tell the pupils from form 7b about his hometown and his life. It was very interesting

for all to speak with him and to listen to his report about cultural differences. We thank Mrs Meyer, Vanessa's mum, for her idea to invite a special guest!"
