**Photographs, audio recordings and video recordings** may be made of the speakers and the audience during the conference. TU Bergakademie Freiberg reserves the right to publish photographs and recordings in the official print and online media of the university.

If you do not expressly object to such photographs and recordings, TU Bergakademie Freiberg shall assume your consent to their recording and aforementioned use.

Thank you for your attention.

# PHOTOGRAPHY, AUDIO & VIDEO RECORDING, LIVE STREAMING

This event is being recorded and broadcast by **live stream** for representation and teaching purposes. In addition, photographs of the event will be taken for representation purposes. Both practices relate only to the stage area.

If you do not agree to your inclusion in the film recordings and photographs, we kindly ask you to remain in the audience area and not to enter the stage area. We refer to the EU's new General Data Protection Regulation (GDPR) in this regard.

# PLEASE NOTE:

Photographs, audio & video recordings  
are being made at this location.
