

Minutes Prorat meeting on 14th December 2015

participants:

- Tilo
- Martin
- Kateryna
- Franziska
- Ashish
- Simon

Informations from Ms. Wopat:

- Talk with Miss Rogler
- Price is not approved from the Rectorat
- All prices should be restructured
- New price can be integrated
- Criteria are not easy to develop

Price for supervisor

- Tried to make it possible in january 2016
- Should further development it
- commission (students, emeritus, grafa, Phd)
- need maybe change of basic regulation
- working meeting end of january, before continue adding the pad
- some disscussion of prorata and its role in university

Panell discussion from Green Party about working conditions

- good discussions
- first now listeners ... later people showed up
- some professors always want to have flexebillity
- to have to less to people mean also to have no effective spending in tax money
- maybe one in the beginning and/or in the end could be allowed
- New research could be brought in the education

LAMS meeting on the 4th of December

- Rahmenkodex for Employment conditions
- Maybe more than 1/3 ... go for 1/2
- Also always changing Professors have no continuous work group does not help the university
- One should go these meetings to bring in young perspectives
- Perspectives for people after Phd still needed

Rektoratskommission Gleichstellung

- Evaluierung familiengerechte Hochschule
- offizielle Einbindung soll erfolgen

MISC

- Watch better on elections
- maybe candidates for faculty boards and so on
- update webside (poster) and position on wissZeitVG
- Next meeting end of january

BHT

- Phd on the 9th of January
- one colloquium
- first announcement poster
- no conference fee, only catering
- Budget, equipment ... answer till end of the year (room)
- Programm till end of february
- Poster with Deadlines middle and end of january
- Maybe some publications later
